ROCKFORD- The Code Enforcement Division in conjunction with the Rockford Police Department and Neighborhood Network will be conducting a Citywide informational and violation warning sweep on Monday April 11, 2011. The sweep is in a continuing effort to inform the public of City Ordinances and Zoning Regulations that contribute to making Rockford a cleaner, safer and more beautiful community.

The sweep will be comprised of sixteen teams scouring the entire City of Rockford delivering bright yellow warning cards and informational material advising property owners as to existing violations observed and phone numbers to contact for further information or clarification.

All actions taken on April 11th will be of advisory or warning in nature with no official follow-up except where life safety is involved.
